

# TEN MILE INTERCHANGE FACT SHEET

## About the Project

The Idaho Transportation Department is building a new interchange with on- and off-ramps at Ten Mile Road in Meridian. The interchange will help relieve congestion and improve I-84 access in the growing area west of Meridian.

## Project Features

- 1 Tasa Drive will be extended to Overland Road with an underpass at Ten Mile Road.
- 2 Ten Mile Road will be widened from two to four lanes between Overland and Franklin roads. The roadway will have curb and gutter, bike lanes, sidewalks and a center median.
- 3 A single traffic signal will control all traffic movements at the interchange.
- 4 Landscaping for the new interchange will be funded with federal stimulus dollars.
- 5 An underpass and intersection will be constructed north of I-84 for future local roads.

## How to Stay Informed

# Ten Mile Interchange Fact Sheet

## What to Expect

- The Ten Mile Overpass will be closed for 18 months to accelerate construction.
- Access to Tasa Drive, Davis Lane and residences on Ten Mile Road will remain open.
- Typically, at least one lane will be open in both directions on I-84 at night (10 p.m. to 5 a.m. on week-nights, and until 7 a.m. on weekends). At least two lanes will be open in both directions during the day.
- Noise will increase when bridge foundation piles are driven into the ground. Pile driving will be allowed from 7 a.m. to 9 p.m.
- The I-84 speed limit will be 55 mph.

## Construction Schedule

### 2009 SUMMER/ FALL

- Begin constructing bridge over Tasa Drive.
- Begin future north undercrossing.
- Begin widening Ten Mile Road.

#### Traffic Impacts

- Expect heavy truck traffic and intermittent delays on Ten Mile and Overland roads.
- Pile driving will be noisy from August to October.

### 2009 FALL/WINTER

- Begin new bridge over I-84.
- Begin on- and off-ramps.

#### Traffic Impacts

- Tasa Drive will be restricted to one lane with flaggers for two weeks when bridge girders are placed.
- Pile driving will be noisy in December and January.
- Ten Mile Road will be closed between Franklin and Overland roads until the end of the project.

### 2010 WINTER/SPRING

- Open Tasa Drive extension.
- Widen I-84 to three lanes between Black Cat and Ten Mile roads.

#### Traffic Impacts

- I-84 will be closed overnight when bridge girders are placed.

### 2010 SUMMER

- Open new I-84 lanes between Black Cat and Ten Mile roads.
- Rebuild Overland Road.

### 2010 FALL/WINTER

- Complete Overland Road.

### 2011 SPRING/SUMMER

- Open new interchange.
